Brand New Book ***** Print on Demand *****.A young anthropologist from Minnesota searches for the Sacred Cape of the Red Jaguar deep in the Venezuelan rain forest. Kidnapped and sold to a tribal chief who sees her as the fulfillment of the prophecy surrounding the cape, she is rescued by a dark-haired, green-eyed doctor who happens to be a powerful shaman. As a dormant volcano explodes, the two of them race toward safety down the treacherous Rio Caroni. But a deeper mystery awaits them. Shamanic attacks by a dark sorcerer push them toward a discovery in the Inca Temple of the Sun, five hundred years and fifteen hundred miles from where it should be in Cusco, Peru. Deep in the tunnels under the gold-covered Solar Drum, they make a discovery that could not only solve an ancient mystery, but change lives, and shatter beliefs--and are given a mission that will affect the Earth and put them in danger from those who wish to stop them. Spirit Song explodes with love and magic, time travel and prophecy, spiritual visions and shamanic warfare, all wrapped up in an action-packed adventure story. Book Two in the series is now available on Amazon: Seeds in the Blood. Check Sherry s author page.
