The Nightstalkers are back, and the world needs them now more than ever. When a real-life truth serum, a military cabal bent on launching a preemptive strike against America s enemies, and the nuclear football which contains the information the President needs to launch the nation s missiles all converge, the Nightstalkers suit up for another deadly mission. Joining forces with the Cellar, the covert world s police force, the team might be mankind s last hope. A bombed-out neighborhood in Pakistan. A strip mall in suburban Virginia. A decommissioned ICBM silo in Nebraska. The highest-security location inside the White House. The Book of Truths hits all the hotspots and roars to a breathless showdown that could mean the beginning of the end for everyone.
