Now a major motion picture starring Robert Duvall and Lucas Black This book is about influence and inspiration and a deeper, more profound way of looking at life. The story is based on thousands of athletes who author and performance psychologist Dr. David Cook has counseled, and the great mentors and teachers from whom he has learned. Told through the lives of two characters an eccentric rancher with a passion for teaching truth, and a young golf professional at the end of his rope looking to escape the pressures of the game they represent each one of us in our various stages of growth. And through them we are reminded that, in life, we must be willing to coach and be coached. Life is never the same once you ve been to Utopia. Read it. Devour it. Keep it as a reference book.
