Reviews

This ebook is worth acquiring. Better then never, though i am quite late in start reading this one. You will not truly feel monotony at at any time of your own time (that's what catalogues are for about if you ask me).

KINGDOM KNOWLEDGE NOTES

CREATION HOUSE, United States, 2003. Paperback. Book Condition: New. 284 x 220 mm. Language: English . Brand New Book. Now you can increase your Bible knowledge with Kingdom Knowledge Notes, a unique Bible study tool created by Rod Austin. Research has shown that a person who takes notes is seven times more likely to retain the information. It works the same with Bible study. The pages in this note taking guide correspond to every book in the Bible, with all chapter divisions formatted for easy note taking. It also functions as a journal, except not dated, allowing you the flexibility to study as the Holy Spirit leads you. It will become a storage safe for what God reveals to you through individual study, sermons, Sunday school, seminary and other sources. You will be able to maintain all your notes in one place, rather than scattered around in various places.
