Xlibris. Paperback. Book Condition: New. Paperback. 120 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. On 9/11, America experienced the fright of its life. Suddenly we have become a terrorist magnet. From across the globe, terrorists are seeking to do Bin Laden's disappearing Twin Towers act one better. Infiltrating the Canadian border into Northwestern National Parks, terrorists plot entry into mainstream America and the destruction of our way of life. Annee is a strong-willed young park ranger who confronts terrorists on her turf on her terms, with intuition and a sixth sense her only weapons. If Steven King's character Carrie ever had a twin sister, but one inclined toward righteousness instead of evil, Annee would fit the part. Annee is realistic and spellbinding - a frightening look at what could happen if we let down our guard. Annee is a charming ball of fire who draws the reader into a web of terror spanning Africa, the Middle East, Southeast Asia and North America. Timely as it is, Annee is a story that will leave no reader unmoved, and the main character will capture your heart.
